Protecting & Powering Industries

Fire & Safety | Hardware | Mechanical
Electrical | Engineering and Industrial Supplies.

About Us

DST Enterprises is a trusted provider of industrial safety products, operational support materials, and procurement solutions for a wide range of industries.

We specialize in delivering high-quality products across fire safety, personal protective equipment, gas detection, electrical, mechanical, maintenance, and industrial support categories.

Our commitment to quality, timely delivery, and customer satisfaction has helped us build strong relationships and become a dependable partner for businesses seeking efficient and reliable industrial supply solutions.

At DST Enterprises, we believe in creating safer workplaces and supporting industries with products and services that make a difference every day.

Vision

To be a trusted partner in industrial safety and support solutions by delivering quality products, dependable service, and long-term value to our customers.

Mission

To support industrial operations through reliable solutions, responsive service, and a commitment to quality and safety.

CORE VALUES

INTEGRITY

We conduct our business with honesty and transparency.

QUALITY

Maintaining high standards in products and service delivery.

RELIABILITY

We deliver what we promise, on time, every time.

CUSTOMER FOCUS

Understanding customer needs and delivering effective solutions.

SAFETY

Promoting safer workplaces through reliable products and solutions.

Responsiveness

We respond quickly with reliable service and effective solutions.

Industries We Serve

We provide reliable products and solutions that support safe, efficient and uninterrupted operations across a wide range of industries.

Manufacturing

Providing Industrial products that enhance productivity, workplace safety and operational reliability.

Infrastructure

Supplying reliable products that support construction activities with a strong focus on safety and efficiency.

Oil & Gas

Supporting exploration, refining and production operations with quality safety and maintenance solutions.

Power & Energy

Supporting safe and efficient power generation, distribution, and maintenance activities.

Pharma & Chemical

Providing products that support safety, compliance, and operational continuity.

Warehousing & Logistics

Enhancing workplace safety and operational efficiency across logistics operations.

Fire & Safety Solutions

We provide a comprehensive range of fire and industrial safety products designed to support safer workplaces, regulatory compliance and uninterrupted operations across industrial environments.

Fire Protection

Fire extinguishers, hydrant accessories, fire hoses, alarms, and related fire safety equipment.

Gas Detection Solutions

Portable and fixed gas detection equipment for monitoring hazardous environments.

First Aid & Emergency Response

First aid kits, emergency response products, stretchers and rescue equipment.

Lockout Tagout (LOTO)

LOTO devices, padlocks, lockout kits and energy isolation solutions for safe maintenance practices.

Personal Protective Equipment PPE

Safety Helmets, Gloves, Footwear. Eye, face, hearing and respiratory protection. Protective clothing.

Fall Protection Equipment

Full body harness, lanyards, lifelines, anchorage systems and rescue equipment.

Road Safety & Signage

Traffic cones, Safety barriers, warning signs, safety tapes and workplace marking solutions.

Spill Control Solutions

Spill kits and containment solutions for effective spill response and environmental safety.

Industrial Hardware Solutions

We provide a wide range of industrial hardware products that support fabrication, maintenance, installation and day-to-day operational requirements across industrial environments.

Fasteners & Fixings

Bolts, nuts, washers, anchors, and fastening solutions for industrial applications.

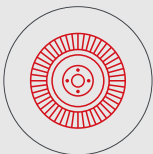

Power Tools & Accessories

Drilling, Cutting, grinding and installation tools with reliable accessories.

Adhesives & Sealants

Industrial adhesives, sealants and bonding solutions for sealing and repair needs.

Cutting & Abrasive Products

Cutting discs, grinding wheels, flap discs and abrasive consumables.

Hand Tools

Professional hand tools for maintenance, assembly and repair activities.

Material Handling Products

Trolleys, Lifting accessories, rigging equipment and workplace handling solutions.

Storage & Workplace Solutions

Storage systems, bins, cabinets, and workplace organization solutions.

General Engineering Supplies

A wide range of engineering supplies to support maintenance and operational requirements.

Mechanical & Pneumatic Solutions

We provide mechanical, hydraulic and pneumatic products that support industrial maintenance, automation, manufacturing and operational efficiency across diverse industries.

Bearings & Power Transmission

Bearings, couplings, belts, chains, pulleys and power transmission products.

Hydraulic Components

Hydraulic hoses, fittings, pumps, adapters and other hydraulic accessories.

Pneumatic Components

Cylinders, valves, FRLs, fittings and a wide range of pneumatic accessories.

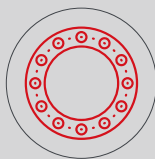

Industrial Valves

Ball valves, gate valves, butterfly valves, check valves and process control valves.

Pumps & Fluid Handling

Centrifugal pumps, diaphragm pumps and fluid transfer solutions for various applications.

Gaskets & Sealing Solutions

Gaskets, O-rings, oil seals and sealing solutions for reliable performance and leak control.

Hose & Tubing Solutions

Industrial hoses, tubing, hose assemblies and connection accessories.

General Mechanical Supplies

A wide range of mechanical supplies to support maintenance and operational needs.

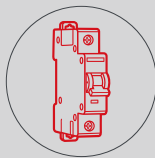

Industrial Electrical Solutions

We provide reliable industrial electrical products and solutions that support power distribution, installation, maintenance, and operational continuity across industrial facilities.

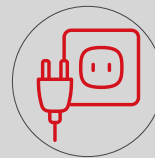

Cables & Wires

Industrial power, control, instrumentation, and specialty cables.

Switchgear & Protection

MCBs, MCCBs, contactors, relays, and protection devices.

Electrical Accessories

Sockets, plugs, glands, lugs, and termination products.

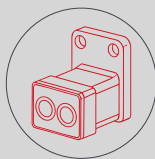

Lighting Solutions

Industrial and commercial lighting systems.

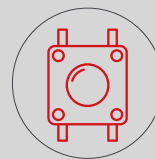

Cable Management

Cable trays, conduits, trunking, and accessories.

Control Components

Push buttons, selectors, timers, and control devices.

Industrial Connectors

Industrial plugs, connectors, and interface solutions.

General Electrical Supplies

Supporting installation and maintenance requirements.

Maintenance & Industrial Consumables

We provide maintenance products, repair consumables, and operational support materials that help industries maintain productivity, efficiency, and uninterrupted operations.

Maintenance Products

Lubricants, greases, maintenance sprays and rust removers.

Repair Consumables

Adhesives, sealants, epoxy compounds, thread lockers.

Abrasives & Cutting Consumables

Grinding wheels, cutting discs, flap discs, sanding products.

Cleaning & Surface Preparation

Contact cleaners, degreasers, hand cleaners, cleaning chemicals.

Operational Support Materials

Cable ties, tapes, marking products, packaging materials, and utility consumables.

Workshop Supplies

Hand tools, brushes, PPE consumables, maintenance accessories.

Industrial Services & Support

Beyond product supply, DST Enterprises provides essential industrial support services to help customers maintain compliance, improve equipment reliability, and ensure uninterrupted operations.

Installation Services

Professional installation support for fire safety systems and industrial equipment.

Inspection & Testing

Periodic inspection and testing to ensure compliance with safety standards and operational readiness.

Annual Maintenance Contracts (AMC)

Planned maintenance programs to improve reliability, extend equipment life, and reduce downtime.

Refilling Services

Refilling and servicing support for fire extinguishers and safety equipment in accordance with industry standards.

Calibration Services

Calibration support for gas detection, monitoring and measuring instruments to ensure accuracy and reliability.

Technical Support

Product guidance and application support to help customers select suitable solutions for their requirements.

Why Choose **DST Enterprises**

We combine quality products, responsive service, and dependable support to help industries operate safely and efficiently.

Quality Products

Reliable products sourced from trusted manufacturers and suppliers.

Responsive Support

Quick response and dependable assistance for customer requirements.

Timely Delivery

Committed to meeting project schedules and operational timelines.

Competitive Pricing

Cost-effective solutions that maintain quality, reliability, and performance.

Customer Focus

Building long-term partnerships through trust, service, and commitment.

Single Source Procurement

Supporting multiple industrial requirements through one trusted partner.

Supporting Industries with Reliability, Safety, and Service.
